Commissioned in celebration of Miele's 111th Anniversary, "Heritage Feasts" provides a platform for the promotion of Singapore culinary tradition. Featuring 30 prominent Singapore personalities, the cookbook focuses on the link between heritage food and one's sense of history and family. Supported by the National Heritage Board, "Heritage Feasts" also encourages the modern family to create new shared moments and continue traditions of familial feasting about the dinner table.

A 4th generation family-owned and -run company, Miele has always treasured the value of heritage and strongly supports the preservation of family traditions and values for bettering the lives of future generations. Therefore, 100% proceeds from the sale of "Heritage Feasts" will be given to Kidz Horizon which raises funds for needy children with HIV and other chronic illnesses through the KK Women and Children's Hospital Health Endowment Fund.
